

# BRISTOL PAY

## REDUCE CARD SURCHARGES

Is your bank vacuuming up your money in commercial card surcharge fees?

Let us advise you on getting the lowest commercial card rates. We save on average \$1,200 per year for our printers.

## GET PAID FASTER

Some things don't get better with age...like your accounts receivable

Next-day funding, e-Invoicing, e-Commerce, virtual terminal & PrintSmith integration shortens printers' payment cycles by up to 50%.

## REDUCE LIABILITY

Still storing customer credit card information on Post-It notes?

We store your customer card info on secure servers so you don't have to worry about it.

**Transparency, Innovation, and Commitment**

Merchant services paired with technology solutions for your business

You met with Christina and Steve at the NPOA event in February 2017.

**Contact us today for our special rates  
for NPOA members.**
